7. CONSENT, AND STATEMENT OF MEDICAL NECESSITY: HCP SIGNATURE REQUIRED

I certify that TEGSEDI is medically necessary for this patient and that I have reviewed this therapy with the patient and will be monitoring the patient's treatment. I verify that the patient and the healthcare provider information on the prescription start form was completed by me or at my direction and that the information contained herein is complete and accurate to the best of my knowledge. I understand that I must comply with my practicing state's specific prescription requirements such as e-prescribing, state-specific prescription form, fax language, etc. Non-compliance with state-specific requirements could result in outreach to me by the dispensing pharmacy.

I authorize dispensing pharmacies, e.g., Accredo and other designated operators of the AKCEA CONNECT Program to perform a preliminary assessment of benefit verification for this patient and furnish information requested by the patient's insurer that is available on this form. I understand that insurance verification is ultimately the responsibility of the provider and third-party reimbursement is affected by a variety of factors. While Accredo tries to provide accurate information, they and Akcea make no representations or warranties as to the accuracy of the information provided.

I authorize AKCEA CONNECT Program its affiliates, agents, and contractors (collectively, Akcea) to act on my behalf for the limited purposes of transmitting this prescription to the appropriate pharmacy designated by the patient utilizing their benefit plan.

CLINICIAN SIGNATURE: REQUIRED FOR DOCUMENTATION

I verify that the patient and the healthcare provider information on this prescription start form was completed by me or at my direction and that the information contained herein is complete and accurate to the best of my knowledge. I certify that my patient has agreed in writing to be contacted by AKCEA CONNECT Program or dispensing pharmacy, e.g., Accredo and be furnished with Program or other information or materials.
